

## AUCTION PARTICIPANT CONFIRMATION

20..... /...../.....

I, ..... personal code....., liv. Lithuania ....., confirm that my purpose in participating in the auction and concluding a purchase-sale and/or others contracts through it is related to my ongoing and/or planned economic (economic-commercial) activities (i.e. I plan to conclude the contracts not to meet my own or family's needs).

I confirm that when concluding contracts by auction or receiving any other services, I am not and do not act as a consumer, as regulated by the legislation of the Republic of Lithuania. I undertake to inform the other party to the contract in advance in writing about any changed circumstances (i.e. when planning to purchase a car or receive other services for the purpose of satisfying my or my family's needs, I undertake to notify the other party in advance in writing, since in such a case different conditions of participation apply). The risk of failure to inform or late notification lies with me (the buyer and/or the recipient of the services).

I agree that if the confirmations I have provided are found to be incorrect and/or do not correspond to the real situation, I undertake to pay a fine for each contract concluded based on the incorrect confirmation provided (or without informing about changed circumstances) equal to 20% (twenty percent) of the full Final Purchase Price. The fine shall be paid within 5 days from the date of receipt of the demand.

**This confirmation is considered an integral part of all my contracts concluded with the auctioneer and/or seller.**

This confirmation is valid from the date of its submission to the auction organizer and/or seller and is valid indefinitely. In the event of any change in circumstances, I undertake to inform the auction organizer in writing and in advance (or immediately).

This confirmation applies for all concluded deals I have made by me until the date of its cancellation date.
